I am passionate to build my Career as a Website designer and developer and mobile App designer. And it will be a great opportunity for me to work in such a well reputed organizations. I am energetic and a fast learner, also building my Skills day by day. I am eager to learn more new skills and looking for the opportunity to work in a competitive environment to upgrade my skills and contribute to the company.

EXPERIENCE

2021, Nov – till now

WIPRO LIMITED, Scholar Trainee

Worked as a Network Engineer (RE).

I had done the IOS Upgradation and dmpls failover of Switches and Routers.

Created the Health checkup reports of Switches and Routers.

Worked with Power Supply Malfunctioning of the devices.

Fixed the problem with IP camera which was in Stop mode.
